

THE DEANERY

Church of England High School and Sixth Form College

26th March 2020

Dear Applicant

Further to our communication with you earlier this week we would like to update you. Many of you are concerned about the upcoming systems involving results, Sixth Form applications and enrolment. We would like to reassure all pupils that have applied to our Sixth Form, that your offer of a place at the college is secure. Everybody who has applied is guaranteed a place on one of our course pathways.

We want you to be assured that the combination of courses can be further discussed upon enrolment. Following the publication of your grades our usual enrolment conversations will take place. At this stage subject choices will be confirmed. We will update you further regarding enrolment as more information becomes available about the government's plans.

Please confirm that you would like to accept your place at the Deanery Sixth Form by emailing Mrs Hampson shampsond@deanery.wigan.sch.uk by Friday 24th April 2020.

We are pleased to let you know that there are now 'Bridging Units' available for download on our Sixth Form Website at www.deanery.wigan.sch.uk/bridging-units/

These 'Bridging Units' are specifically designed to help you make a successful transition from your GCSEs to your selected Post-16 subjects. Completing these units will give you a good grounding in the subject, and will clearly be beneficial in making a successful start to your studies at the Deanery Sixth Form in September.

We will continue to provide further updates over the next few days and weeks, as we aim to keep you as informed as possible.

Yours faithfully

E. Kirby

Acting Head of Sixth Form
